

Goat Paper Bag Puppet

A KIDS CRAFT

SUPPLIES NEED

Supplies

The essentials:

Scissors (at least 4)

Print offs of Face and Beard

Colors or Markers (save your self and get washable!)

Glue or Glue sticks

Paper Bags

Extras:

Googly eyes (try to get these they are a HUGE hit)

Giltter

Tiny pom poms

Glitter glue pens

Yarn for Beard (black, brown, white)

Props we will need that we already have:

Table: (I have a cute old wooden table that is kids hight. But you can use any table and cover with a cute wipable cloth

Supplies that we might have on hand or want to buy new:

Informational Props:

Print off direction sheet and frame

Props to buy or Make:

Easel for Craft Table sign

Wooden planks to attach signs to

To Have printed:

Goat Face and Beard (the beard page has three so you need 3x as many of the "goat face"

Directions Print off

Staff:

Someone stay at the table and help the littles, parents can help but enjoy visiting while someone else helps glue.

Script:

Not really needed here. But if you want to have goat info you want to impart you can.

Station Packing List:

We try to always have a list of things needed for the station laminated and in a tub with all the supplies, that way your helpers the day of the event wont miss a thing!
